“ *To the entire Peterson family, Mr. Pete was one of my dad's (Eddie Brown) good friends, He had the kindest heart. And he really loved The Lord Whenever I visited Antioch Church He was there. Every year we give my dad a birthday dinner, He would always be there. This year, when he didn't show up, I knew something was wrong. I found out that he had been hospitalized. We had the opportunity to visit him. The Lord has called him from labor to reward. Your family have our deepest sympathy*

“ *To the Peterson family esp. my Buddy Stanley, you have my deepest sympathy. I would have gotten to you sooner if I had known a name other than "Daddy" that's all you ever told me. You know what I mean. The last time I heard him over the phone had us both smiling ear-to-ear, everything was looking so bright. I guess that was God's way of giving you the time you needed to talk, laugh, and really see each other before having to say good-bye. Stanley, my Buddy, I KNOW that you really truly loved your Daddy. Now your Daddy can get his much needed and deserved rest. And soon you will get your rest too. And you know what to do when you can't sleep. Call me and I'll have you snoring in 15 seconds flat. I had been praying for your Daddy for the last few weeks and I will continue to pray for you all. Sleep well Pete.*
