“ Hey Momma, you been talking about going home for a long time. Your faith was strong, we'll you got your wings on Saturday to meet your Heavenly Father. You fought a good fight and you finish the course and now you are able to be with all our love one who has went on before you. Job well done you taught us the most important thing while you were here and that was to me is to get to know Jesus for ourselves and because I know Jesus and I know you did too death is not so hard when we all must go through it. So I say job well done an instead of saying goodbye it's "See you in the Morning". I ❤️ U!! Until we meet again in that great getting up morning farewell, farewell!
