“ *To the family of Arletha: Arletha had so much grace and kindness. I worked with her at MSU extension and I will never forget her. I always loved running into her so I could ask her about some of her recipes She was so creative with her dishes and it wasn't much that she had not cooked before. Her spread of food for events would be beautiful , as I write I'm visualizing the beauty. The love she showed for her family was always seen with her smile.. God has called a beautiful angel to beautify heaven as she did on earth.*

“ *This was and still is the sweetest woman I will ever know. Her loving-kindness and compassion spread far beyond this life. Her ability to love, honor and cherish others, was simply incredible. Her love for her children, is what any mother should aspire to... she was the greatest to me, and this is truly a hard pill to swallow. But God, but God truly brought home one of his finest. The legacy she left behind will truly live on in our hearts.*

My prayers and condolences are with the family at this time of sorrow. Arletha's father (Leroy Richardson) and my mother (Lucille) were first cousins. When she was a young girl, Arletha, her parents, brothers and sisters would come to Romulus to visit us and we visited them in Flint. Many years have passed but memories of those special times are lasting. She is just as I always remembered her to be; a beautiful angel. I am blessed to have had her in my life. It is a joy to see the many tributes to Arletha and to know how many lives she profoundly touched.

“Running up and down Bates Rd...was nothing but girls....the statement " it takes a village to raise kids" is an understatement... The Moss family and The Logan Family have ties that can never be broken....our parents have been friends/family since before I was born...this is mind blowing and a very very great loss to us all and we are hurting with you all....I thank God for Arletha and Nevelin...they were by far the most faithful and loyal friends/family my parents ever had...they all had a hand in raising and rendering us from the streets of Bates Rd to the choir stand of Vernon Chapel...they were right there standing hand in hand with our parents when we were baptized by Rev. Russell...Donyale, Tika and DJ we love you guys and I want you to know that when it is all said and done we will continue to pray you all and the rest of the family..I also ask that God watch over everyone whose lives she touched....I can't even believe I am writing this....We love you always Arletha!
