“ *To the family, I know it has been a while since we have been around but Armeader is in a better place. No more pain no more suffering and definitely no more Dialysis. I know how she hated that. Charlie boy can not be here right now so I just wanted to say, Hold on to God's Unchanging Hand. He is the only one that can help you all right now. I believe that she would not come back here if she could. I will keep you all in my prayers and Hold on to your faith.*

“ To my Cousins, Aunt & Uncle, I want you to know that our hearts are sadden. And to let you know that I wish we were there to walk this difficult journey with our family. If nothing more than to hold your hand or give you a hung. But I hope in time you will be able to find comfort in knowing she is at peace. I trust in my Lord and Saviour Jesus Christ that he knows best. I love you.
