“ *I was just sitting here thinking of how much I miss you. I would be on my way home to fix you something to eat right now but GOD has a better meal for you. I love you and I thank you for loving me. Thanks for being the best mom someone could ever have and being my friend. I'm so glad you told me all the time how important I was to you and I thank you for always being there for me. Forever grateful your daughter.*
