“ *I send all our love and condolences to the family during this tough time and great loss. Uncle A.D. was, in deed, one of a kind. He lived life to the fullest. His way...That's what I loved so much about him. He didn't care what other people thought of him. He just kept pressing on. A free spirit. In the words of Uncle A.D. "Did you drop sumthin'? Don't pick nuthin' up then.(followed by his famous grunt :-)*

*Peace & Love,
The Cox Family

“ I am the younger son of David Cox. And I am proud to be a part of this family. I was always very fond of my Uncle "A.D." he was a very special man. As much as I regret not being able to be there with my family in this time of mourning, please know that my heart is with you all. I will never forget how my uncle would grab me when I was a little boy and with a firm grip on my arm declare "Boy, you're a Cox, and I love you!" He was a great man and I will miss him dearly. I wish peace and love to all family and friends in attendance at this time of great loss. I will always love you Unlce "A.D.", your nephew, Mario.
