“ Vivian,

I started my career at Holmes Junior High School where I met your dear husband, who was serving as Staff Specialist for students. I will always remember his genuine kindness, sense of humor, no nonsense approach to helping our students make good choices in their lives.

Throughout our careers he always remained a friend with a smile, a positive attitude, and a commitment to always helping others. Arnett touched so many lives while with the Flint Community Schools. You have so many special memories to cherish.

My thoughts and prayers are with you always,

“ We send our heart felt Condolences and love to you Sister Miller, Marlin and Family. It is ever I prayer that God gives you all the strength you'll need at this most difficult time. He will be there for you, Asking that at a time such as this, you lean not to your own understanding but in all your ways acknowledge Him, and He will direct your path and comfort your heart. A popular phrase of Deacon Miller's, when you ask him how he's doing he would always say "It's good to be alive". God called you home on your birthday. RIH Man of God at this bitter, sweet, time. Your legacy and teaching, and love for your family, and mankind will never be forgotten. You will be missed.

For many years he was my great Sunday School Teacher at Foss Ave. Baptist Church before we relocated to Tennessee in 2002.
