“ To the family of my former classmate, sister in Christ, I send my condolence to each of you,her friend's, neighbors, relatives. Arnitha was a person who always kept you laughing at something she would say, that you just couldn't help but to break out in a laugh. She meant what she said, & said what she meant. That's realness to me. Down to Earth person. Now I must say goodbye, but in the rapture, I'll see you later. R.I.P. classmate...
