“ To my loving family, we have loss a husband, father, grandfather, uncle and cousin. We know that while this is a time of sorrow, it is also a time of celebration! Arthur Lee lived a full life and we as family will always have fond memories of him. I remember as a youngster, him coming to our house to repair the TV. He was always on time and when he left the TV was working again. He also loved to debate and we had a number of spirited discussion. Yes I to was saddened upon hearing of his passing, but I will celebrate his life and remember him fondly! Cousin Reggie Richardson
