“ Arthur marks111 AKA "Sugarman". You were really a good friend. You used to drive Barbara me and others to football games the basketball games for the U of M party. And you always came back to pick us up, what a man what a big brother he was. I will always remember you because growing up you were there for us. I am so saddened so you know that you are not here with us, but Heaven just got a new angel. The family prayers, and more prayers. Be safe love one another why you can tell them you like them. And I love you sugar man, rest in peace
