“ To the Terrell and Edwards family; It was with heartfelt sadness that I learned of R.D. passing. He was a great warm hearted friend. I have many fond memories hanging out with R.D. e.g., attending "Geroge Clinton" events, spitting watermelon seeds in middle of the livingroom floor, playing basketball, jamming the DJ-equipment for hours, laughing and joking around. Artie was my friend, my G.C. Funk-a-tear.

Sincerely,

“ I grew up with Artie when he moved to Sturgis in 6th grade to graduating together at Sturgis High School in 1973. We were fierce competitors, teammates and buddies.

*Art and I were of similar size and athletic ability. We competed for starting positions in basketball and were teammates in football, track and even youth bowling. Art and I would stay after practice almost every night to play one on one basketball, hand ball or paddle ball. It didn't matter what sport it was, we were gym rats and wanted more. We were both fierce competitors and equally talented athletically. These contests would go on and on until we were both exhausted and they would kick us out of the gym.*

*Art had great speed and hurdling ability. He at one time held the varsity track record at SHS for one of the hurdling events(180 yds). Art is still listed in the football records at SHS.*

*Although I have not seen him in several years, Art called me three months ago to let me know that he was returning to the Sturgis area for retirement. We laughed and talked about old times and how we were going to go fishing together.*

*" I will miss you old friend! We had a lot of good times growing up together in Sturgis."*

*Your buddy,*

*Curt*
