“ *My Mother (Versie) and one of her favorite cousin Shack loved one another dearly. When they were together you could hear them speak about their Arkansas roots. They both were proud to be who they were. Shack would come to visit mom and dad; showing them pictures of the wonderful trips he and his wife had gone. They traveled all over the world such joy in their marriage. I especially loved Shack kind and compassionate spirit he always made me feel welcomed. Cousin Shack tell Mother and Dad I said hello.
