“ *Tay was the cool and mellow one out of the bunch of friends he was very close with. I've known him since Longfellow and remember meeting him when we all played football there. Last time I seen him was when we all graduated and was hoping he'd be one I see @ our 10~year reunion. But God called him home to rest. Ill see you at the grand reunion, Tay.
My prayers go out to the family and close friends.*

“ *I am so sorry to hear about your lost. I'm not sure if u remember me or not, but I was in Ashante's life for about 3.5 years around 99 to 02. We went to my homecoming,prom in 2001 and did everything together when we were a couple. He was the love of my life then, and it upsets me so much his life was taken from him. Its honestly has been years since I've spoken to him, and now that he's gone I regret it sooo much!! I wish I had a chance to tell him bye, but I know he's watching over us now. He is in a better place and we have to accept that. Thank you for allowing me to express my feeling and your family will be in my prayers!! God Bless You...Wynter*
