“ *You know I know you will never get this message but I really do think it's crazy how your family say they love you and miss you and you have a whole seed who's finna be grown and they don't even take the time to talk to her or check up on here I guess it's true when they say blood doesn't make you family. Do they know that she's hurting too that depression sometimes takes over her that she wishes she had a father I guess not. I spend years stressing why don't are so called family don't talk to me but I will no longer stress or hurt no more I will turn this hurt into success. Although I was young when you passed I still have memories of us together that I will always cherish you know sometimes when my mom looks at me she say all she sees is you I love you daddy always and forever RIP*

“ Hello,

My name is Pamela Traeye. I just wanted to take this time to send my condolences to the family. I too have lost a loved one in my lifetime. Did you know that the bible makes it clear that God did not originally intend for humans to die? (Gen 1:28) The bible also tells us that God has the power to bring the dead back to life and that he will do just that!! Isaiah 26: 19 states, "Your dead ones will live... They will rise up". Jesus further reminds us at John 5: 28,29 " Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." If you would like to find out more about God and his promise of the resurrection, please come visit the Kingdom Hall of Jehovah's Witnesses at 7184 Davison Rd Davison, Michigan 48423 or contact me at my email address pamelatraeye@hotmail.com.
