*I am sad to hear of loss of a friend. As close as I can come we had been friends for 40 odd years. I have been thinking of all the good times in your sports car, visiting with you and your mom, your dogs and cats, your wedding and our last visit at the lake. RIP dear friend.*

“ Audrey was my friend for 72 years. Our mothers were dear friends and were pregnant with us at the same time! She is 9 days older than me. I do not remember NOT knowing Audrey and being friends! Over the years, life took us in different directions from time to time. But we always found time to catch up and share where we were on life's journey. She was of course, in my wedding. I will never forget the joy we both shared (we were ecstatic !), when she became engaged and married Al, the love of her life! Our last conversation is precious etched in my mind as we laughed and talked like we were schoolgirls again, but with the wisdom of age.

*Love you forever my Sister.! I'll see you on the other side!*

“ *My heart is heavy with grief after learning of the transition of my friends, Audrey. A relationship that developed at work and lasted whenever we met. She and Alvin was always there for me through the storms of life I endured, beautiful and loving inside and out. I pray she had a smooth transition and the Lord provide comfort to her and Alvin's family. The memories of them will never be forgotten.*
