“ *When a loved one passes on, there are very few words that one can use to soothe the pain of this type of loss. For in fact, Miss Audrey meant many things to a variety of people over the years. As she lay asleep in death, it is a wonderful thought to reflect back on the good memories associated with her name. The scriptures tell us at Proverbs 22v:1, A name is to be chosen rather than abundant riches: favor is better then even silver and gold (NWT). My wish is that everyone touched by this dear woman continue to keep her memory alive in your hearts and her love strong in your actions!*

“ *Cousin "Granny" Audrey, when you lived on Chelan, I used to enjoy coming over with my Grandma because I knew I would be able to eat potato chips, sweets, and good food (something Alfreda didn't have). As I got older, I loved the "grown up " talks we would have that still keep me smiling and laughing to this day. Some things I have shared with my cousins, other things I have kept to myself (smile). Now that you have gone on home to be with God and your other family members (Grandma, Uncle Gary, and mom), the love you all instilled in us remains intact. I am grateful to God for your 95 beautiful years. I love you and thank you for all the love and wonderful memories!*

“ *Mother Hall, was a special lady in my life. I met her when I was fifteen years old, she was like a second mother to me. The heart knows no sorrow like the death of a loved one.*

Rev. 21:4 And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away. To the family be strong, you are in my prayers. God Bless You, Love, Wanda Harrison

“ Mom Audrey,

Kindness isn't just about being nice, it's looking for ways to improve someone else's life. It's bringing out the best in others. Love looks for a way to be constructive. That is what you always did. You were the best mother in law a daughter in law could ask for.

I will always have the memories of Ron and I bringing the kids to Flint to see you. They were always so excited to be going to see their granny. They knew they could eat until their heart was content. You always made sure that you cooked and baked all of our favorite dishes, and it was done with such love and enjoyment. You would be in the kitchen or outside cooking barbecue all day long without a complaint. And oh the many tips of cooking that I learned from watching you.

So when I am sorrowful, I will look into my heart and see that in truth I am weeping for that which has brought me such joy.

I Love and will miss you Mom Audrey.

“ Letter to my Mom

Where do I start Mom. Well, I guess I should start by telling you how much I love you. You mean the world to me and I cannot tell you enough times how very proud I am to be your son. I love your gentle, tender and loving ways that you always displayed with all of us. You really never had to raise your voice with us. I think that was because you were so highly valued, respected and loved by all of us. Sometimes just the look you gave to me without saying a word spoke volumes. That was still the case right up to the last moment I was able to spend time with you. My oh my, how blessed my siblings and I are to have a Mom like you. You are everything we could have sought and desired in a mother. You were always there to love us, feed us, care for us, listen to us, provide for us, provide spiritual guidance for us, believe in us, not be judgmental of us, wipe the tears from our eyes for us, as I am having to do for myself as I write this letter. But they are tears of joy of my lasting memory of you as the person who undoubtedly has been the greatest influence in my life. You are truly a "special lady" to so many people. I just want to thank you for bringing me into this world and molding me into what I have become today. You will always remain foremost in my mind, my heart and my soul. I love you Mom and I will miss you so very much. Your loving son Ronnie

“ A Poem for Audrey

*Your body died just recently,
Your memory, some time ago.
Although your body stayed a while,
And didn't really know.
Suffering from dementia,
You failed to comprehend.
Your body went on living.
But your mind had reached its end.
So we've all said, "Goodbyes",
To the mother that we knew.
The mother that we truly loved,
Sweet Audrey that was, "You".
And so we meet again,
To toast your bodies end.
For it was true and faithful,
Until the very end.
Now, when we remember you,
We'll think of all the rest.
We'll concentrate on earlier times,
And remember only the best.
For in the real scheme of things,
Your illness wasn't long.
Compared to all the happiness,
You brought us all, lifelong.
We think of you as yesterday,
When you were fit and well.
And when we're asked about you,
It's those things that we will share.
And so we meet in remembrance,
Of a mind once fit and true.
We're here to pay our love and respect,
To our mother, "We really miss you".
Love always forever and a day.*
