“ *I'm sorry to hear about Grandma Gussie's going home. I heard about it after the services, or else I would've been there. I love your family with all my heart and you all are in my prayers. I know how much you loved her, always holding her in high esteem. I remember her as a strong, vibrant woman who loved her family dearly. And to John, I would like to say, "Hello, I hope that your doing well. I will always love you all and consider you as family." Get in touch with me.*

“ *Sorry to hear about the loss of your loved one. Death is a enemy that we will never get use to. In my times of sorrow I have found comfort in John 5:28,29 which says that one day we will see our loved ones again.*
