“ We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.

“ Breona, my heart goes out to you during this difficult time but I pray that you find comfort in the only wise God, who is able to keep you from falling and present you faultless. Sweetheart, always remember that God will put no more on you than you can bear and more importantly that He loves you unconditional. Your precious baby boy served his time here on earth and he did make an impact, I truly believe that through his death, someone will come crying and wondering what must they do to be saved. He is resting in the bosom of Christ right now and trust me he was welcomed in by our Granddaddy (I.C) and I'm certain that he is learning a little of everything right now, including I.C. Saying "long the Baby". May God forever Bless and Keep you.
