“ *We are truly sorry to hear of your loss. Our condolences go out to you and your family. Often during difficult times people turn to the bible. Two scriptures that come to mind are Revelations 21:3,4 and Acts 24:15. I hope that these verses are comforting to you.*

“ *Dear family of Isaac,
Sorry about the death of your beautiful baby. Do you know that after the death of a close friend, Jesus cried. (John 11:35) So even Jesus know how intense grief can be. That's why his Father, Jehovah resurrected him as a promise of what's to come. More resurrections! including Isaac...(John 5:28,29) You must rest your hope on God's word and try to believe because Isaac will live again real soon. (Acts 24:15) Sending Agape' Love, Joyce*

“ *He is beautiful. Its so hard to lose a child, things can seem overwhelming. I found that the bible can be comforting at times like this. Psalms 34:18 says "God is near to those broken at heart and the ones crushed in spirit He saves" I hope this brings some peace to your heart. Again, My sincere condolences.*

“ To My family: Don't worry, don't fret, Isaac is with his great-grandmother Geraldine; his great-uncles Isaac Jr. (his name sake); Reginald & Tyrone; and a host of other ancestors, he is fine. But most importantly he is back home with the Father, the Almighty God. Nothing or no one in this place we are passing thru belongs to us, all of us are under the authority of the Almighty God in Jesus Name. We all belong to Him. When the Father calls His home to be with Him, they go willingly! We only need to live our lives in such a manner that when the Lord calls us home in His time, not ours, we will rejoice and go.

"The Leaf"

*A gentle breeze shook a leaf from the tree..
No one noticed. just you and me.
The leaf danced .. It swayed. a child again,
And as the breeze so gently, lifted it away,
It paused for a moment as if wondering.. "Should I stay?"
But continued its journey anyway.*

*The leaf floated higher and higher toward the Light in the sky
And when I saw the clouds open,
I thought I heard familiar voices from the same old tree.
Or was that the sound of angelic wings?*

*It doesn't matter so much that the breeze took the leaf away,
Only that, that part of our tree was taken
Gone "Home" to stay.
Our family will miss that part of our tree,
But, our family "back home" is rejoicing I know,
Because their loved one has "come home" to stay.*

*A child again..
No suffering, no sadness, no more pain nor hurt,
Isaac's gone home to the Father, gone away from this earth.*

*So every time you hear or feel a slight breeze,
Or see the movement of the leaves...
Remember...
The leaves that have gone "Home" to our Heavenly family tree.*
