“ Angel Poems

(CORRECTION)

SORRY THE FIRST ONE WAS A MISS TYPE

Friendship angel poems :

*When I have no one to turn to
And I am feeling kind of low,
When there is no one to talk to
And nowhere I want to go,
I search deep within myself
It is the love inside my heart
That lets me know my Angels are there
Even though we are miles apart.*

*A smile then appears upon my face
And the sun begins to shine.
I hear a voice, so soft and sweet
Saying, 'Everything will be just fine'
It may seem that I am alone
But I am never by myself at all.
Whenever I need my Angels near
All I have to do is call.*

*An Angel's love is always true
On that you can depend.
They will always stand behind you
And will always be your friend.
Through darkest hours and brightest days*

*Our Angel's see us through
They smile when we are happy, and will cry when we are blue..*

*Thanks for being my Angel my friend
I will be there for you until the end.*

“ *For Teonna And Chaz*

*Please don't sing sad songs for me,
Forget your grief and fears,
For I am in a perfect place
Away from pain and tears...
It's far away from hunger
And hurt and want and pride,
I have a place in Heaven
With the Master at my side.
My life on earth was very good,
As earthly life can go,
But Paradise is so much more
Than anyone can know...
My heart is filled with happiness
And sweet rejoicing, too.
To walk with God is perfect peace,
A joy forever new.*
