“ *Hi My name is Mr. Gerald Traeye, Sr. I am a local Minister and would like to extend my condolences for your loss. It is always a sad situation when someone dies, especially a child.*

In the scriptures, God's word helps us to look forward to a time when death will be done away with. It also helps us to see when our love ones will be reunited with us. John 5:19, Jesus states that those in the memorial tombs will hear his voice and come out. Rev 21:3,4, helps us to see that Death will be done away with soon.

May these scriptures provide comfort for you as they have provided for me.

Again, please accept my condolences.
