“ *There are no words that can be spoken at this time that will comfort you or give you peace at this time, but know one thing that GOD loves you and HE makes no mistakes.....Cry when you feel like it that's okay, go outside and scream that's okay, release your anger and frustation because you still have a great responsibilty ahead to be parents. I pray that the two of you grow stronger in Christ through this time.....Love you both..Aunt Gloria Jean*

“ *I am so sorry to hear of your loss. I miss looking across the hall and seeing those little faces. I'm afraid I can't be there to comfort you during this rough time but beleive me when I say that God has a plan and he doesn't put you through situations without bringing you out with a blessing. Seek him. Quench your thirst with his word and your answers will be revealed. If I can make it through, surely you can to. I'm here when you need me. Glod Bless!*
