“ *How does one measure time? No, not in day, months, or years. It is measured by the most precious of all things:: Love. Without which all beings and things whether brave and/or beautiful would perish. Even though he was here for a short time, he will be truly missed, and never forgotten.*

“ *What Makes A Mother*

*I thought of you and closed my eyes
And prayed to God today
I asked "What makes a Mother?"
And I know I heard him say
A Mother has a baby
This we know is true
But, God, can you be a mother
When your baby's not with you?*

*Yes, you can he replied
With confidence in his voice
I give many women babies
When they leave it is not their choice
Some I send for a lifetime
And others for the day
And, some I send to feel your womb
But there's no need to stay.*

*I just don't understand this God
I want my baby here
He took a breath
and cleared his throat
And then I saw a tear*

*I wish I could show you
What your child is doing today
If you could see your child smile
With other children and say
"We go to earth to learn our lessons
of love and life and fear
My mommy loved me so much
I got to come straight here
I feel so lucky to have a Mom who had
so much love for me*

*I learned my lessons very quickly
My Mommy set me free.*

*I miss my Mommy oh so much
But I visit her each day
When she goes to sleep
On her pillow's where I lay
I stroke her hair and kiss her cheek
and whisper in her ear
Mommy don't be sad today
I'm your baby and I'm here"*

*So you see my dear sweet one
Your child is okay
Your baby's here in My home
And this is where he'll stay
He'll wait for you with Me
Until your lessons are through
And on the day you come home
he'll be at the gates for you*

*So now you see
What makes a Mother
It's the feeling in your heart
It's the love you had so much of
Right from the very start
Though some on earth
May not realize
Until their time is done
Remember all the love you have
And know that you are
A Special Mom*

“ *Taura,*

I am so sorry for your loss. I understand what it is like to lose a child, but rest assured that the power of prayer and faith in Jehovah God, will help you to endure this terrible pain. I wish I could be there with you, but definitely send my love and thoughts. Please remember Revelation 21: 3,4.

“ *Taura,*
my heart has been aching for you ever since you gave me the sad news. You never really know what to say after losing someone so close and dear to you. But I want you to know that I am here for you if you need a shoulder to lean on or cry on, an ear to listen or even if you need a hug. Right now God is holding you so tight, because he knows your pain. The Bible says to be absent from the body is to be present with the Lord. You have two little angels that will forever be looking out for and loving you from Heaven.
Love always,

Regina
