I'm so sorry for the families loss. I just realized this is my friend, LYNN 😭. I hadn't seen her since 2007. I would've been at her service. I'm praying for The Lord to comfort and strengthen you all with an astronomical measure of love. I'm going to miss her and it was good to see her siblings despite it being virtual.

Love you LYNN 😊

“ *Ms Bambi was a wonderful woman. She was my brother and my first babysitter when we moved to Michigan back in the mid 70's. She is my cousin's beautiful mom, she will always be an aunt to me. Ms Bambi cared about those around her, she loved her family. She was a great cook, especially those awesome desserts. You will be missed beautiful lady, I love you forever auntie....REST IN PARADISE...*

“ You are my sister and I love you. We didn't grow up together and we didn't even live close. We lived our lives with little contact and miles apart. I don't know much about you except that you are my sister and I love you. As I mourn for you some of my tears are for not having you in my life , not meeting and knowing my nephews and their children. I have my memories of you and I will cherish those until we meet again. I love you Bambi Kellogg.

“ Sending prayers to the family. I worked with her at Whittier when I was in high school during the summer. I remember she sold home interior I think that's what it was. She was really nice and funny.
