“ *Our prayers are with you at this time. There are no words to relieve the loss you now feel. Find peace in that the purpose God has for Barb is complete and she now rests with Jesus. Don't forget the time you spent with her, the words of wisdom, the happy times, how she supported each of your passions. These are the things that will carry you through and give you hope. May Gods blessings and His peace be with you all. Stay close and keep in touch with one another - you are yet a family!*

*Although she is "absent from the body, she is present with the Lord"!
