“ Barbara was my mentor and my friend.  
Barbara was a kind, humorous person; She  
could tell a joke or poke fun without cracking  
a smile and then, she would burst into  
laughter.

Barbara was always willing to share her knowledge and to assist  
anyone with researching and acquiring more information.  
My life was more enriched because of Barbara. She will be missed.  
My prayers to all of her children with the loss of their mother. Bless  
all of you.
