“ *The Brown family would like to express our deepest sympathy in the loss of your mother. As most of the Langford family knows we lost a loved one a little over a year, so we truly feel your pain. But just know that time and god heals all. Keep your heads up and pray.*

“ *You guys are like family to us and we were extremely sorry to hear of your loss. We will continue to pray strength from the Lord for your family. Although, your matriarch is gone on home, you all have to still remain close to each other, as I am sure, she would want you to be. May God Keep you, The Kemp Family.*
