Thank you for having this service on line so that those that could not attend could still be part of the service. We were separated as later we adopted . I found out about my Moore Family about 2.5 years ago. I did not know I had 11 brothers and sisters until then I never got a chance to meet Barbara or my other sisters and brother. There are now five of us remaining that I hope to meet someday. She was wonderful to talk to. Always had a great sense of humor. When we first met on the phone she told me how she would try to help take care of me when she was just 4 years old and I was just a baby. I know my sister is in heaven and watching over us all.

“ Hi, I am the niece of Aunt Barbara, I came to only know my Aunt by the conversations we had by phone, She had a upbeat spirit about her and always took the time to accept the phone calls, Although we never met in person I was instantly drawn to my Aunt Barbara with her captivating stories. I did know Grandma and Uncle Bobby as a young child so it was a gift to be able to talk to her before she entered the heavenly gates. I know she is singing with all the other angels in Heaven. I will really miss her since my Mum Mary Jo Moore had such a history together not much of a mystery. I did know that her favorite food was chicken alfredo and she loved to dance as well. I will surely miss my Aunt Barbara who I truly believe is a angel now and watches over all those that she loved. Sincerely, Beverly Roistacher
