“ Barbara was my add on daughter whom I loved as my own. When I first met Barbara she was 17 and had this gorgeous baby girl Lilly, Lilly was 6 months old. To tell you I almost ran LOL but the way she was, a wonderful mommy and a hard worker. Never had I seen someone so young determined to support her own baby! I was in all wow. How Thankful I was to be able to be able to share her. She was such a strong woman, never asked for anything. She would work and work to provide for her family. How privileged I was to have her in my life! I will always keep her in my heart! Going to miss her as much as I miss her daddy. Dance in heaven baby girl! Barbara was the most giving woman ever. She would give anyone the shirt off of her back. We will all see you some day. I will always Love and miss you my sweet girl.

REMINDER: For anyone confused, your political views are more than opinions. They're a reflection of your values, your empathy, and the way you see humanity.

“ *Barbara is my Baby sister. I say she is because she will still always be my sister. No matter what that never changes. Knowing she is with our dad and grandparents in Heaven is the only thing that brings comfort I love you Bobbie*

“ *Barbara was my baby, the youngest of three girls. She was tall even then! 9 lb 11 oz and almost 23" tall. As she grew she was a bubbly active child with a beautiful smile and mischief in her eyes. Sometimes a handful, but always loving and fun. She grew into a wonderful woman. A loving wife and mother to 4 much loved children. And never stopped showing so much love to me, her mom. She was committed to always taking care of her family and so many others. She was the steady rock and super care giver for so many. Her strong will, that beautiful smile, those eyes with their twinkle and her big big heart will be so missed and always cherished.*
