“ *I have many fond memories of Auntie Barbara. She was a strong woman with the biggest heart. She was devoted to her family. I remember all of the festive holiday dinners she would prepare with lots of food that was fit for a king, but made for her family. My prayer for her family is that God will bless all of you with the strength to carry on and ease your loneliness with His presence. Hold onto the precious memories, they help with the healing of your sorrow.*

Love always, Lana
