“ *Mama Barb is what many of us called you and still do. As I reflect back to the day mama sat in my birthing room as I delivered my last child, who is 13 now. She became an official member of my whole family. To me she was a great inspiration and leader and guider and comforter and mostly a Great friend. Mama you will be missed in our minds but always loved in our hearts. Rest now because I know God was singing and smiling and dancing as he welcomed you home!*
