“ I loved aunt Bob so much, she always knew what to say. I was always excited to see her and uncle Joe. I knew every summer she was coming to stay with us for at least a week. One summer while riding in the back of a truck a bug flew in my eye. Aunt Bob was the only person that I would let touch me. She calmed me down with her sweet gentle voice. Before I knew it, the bug was out of my eye. I remember going to stay a few weeks in Flint one summer. I had a wonderful time. You are truly missed and forever loved.

“ *To the Wilkerson Family:*

*I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.*

*However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.*

*Yours truly,  
Patricia*
