“ God saw she was getting tired and a cure was not to be.
So He put His arms around her and whispered, "Come with Me."
With tearful eyes we watched her suffer
and saw her fade away. Although we loved
her dearly, We could not make her stay.
A golden heart stopped beating.
Hard working hands to rest.
God broke our hearts to prove to us
He only takes the best.

“ *It is with heartfelt sympathy that we extend our deepest condolences to the Wilson/Jones family in the passing of Barbara Wilson. Although we never got a chance to know and enjoy Barbara personally, we share in the sadness of the transition of our dear friend. We have the privilege of knowing Robert Wilson (Her father) personally and if she was anything like her father, she was truly a beautiful woman. DeAris, we are praying especially for you that you find peace and love during this time of mourning. Robert, your family here in Sacramento, CA love you very much. If there is anything that you need we are here for you anytime. May the Lord continue to bless and keep your family at this time.*

P.S. - We look forward to meeting the rest of Barbara's siblings in the near future...
