When I think of Barbara I think about her beautiful smile and genuine personality. She was one of the sweetest caring people I have ever met in my 67 years. She will truly be missed but always remembered.

“ May Almighty God draw ever closer and be His all-surpassing peace, comfort, strength and provider to all the loved ones of Dr. Barbara Young, in the Lord Jesus Christ's Holy Name, with all thanks and praise to Almighty God. I was not blessed to have personally met Dr. Barbara Young, in Flint, MI, as I am in South Africa, but Pr. Gloria Young-Love, in St. Louis, MO, always commended her sister-in-law to me. She repeatedly mentioned that she had had a loving conversation, or a gracious prayer session, with her sister-in-law, Barbara. And when souls connect through Almighty God, it is like rivers of living water flowing between them. As the flows of the rivers change, we might not always get to sit by those streams of still waters, and enjoy the blessing they bring into our lives; to our eyes it seems as if the river's dried up, and the only streams we are left with are our tears. However, even though our eyes no longer see those rivers, ... underneath our feet, underneath the earth, the river continues to flow. In similar way, on earth, our eyes might lose sight of some rivers, but if someone remains in the Lord, we can remain confident, that their river flows eternally. Therefore, I look forward, that may Almighty God arrange on His glorious day, when we are re-united in Heaven, that Pr. Gloria Young-Love may personally introduce me to Dr. Barbara Young, for the Word of Almighty God has spoken, in (Mat. 22:30), "For in the resurrection ... they are as the angels of God in Heaven." Shalom, in Jesus Christ's Holy Name.

“ *To the Young Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
