“ It was such a blessing to know Sis. Hamilton, even when she didn't feel well she would make her way to church and also readily assist someone with some tissue or whatever she could. She'll definitely be missed at the House of Prayer, of course, at the Usher and Nurses annual day from her wonderful poetry readings! But family, I encourage you all to look to the hills from which comes all of your help and understand that God has a plan behind all of this and it will work toward your good.

God Bless You,
Minister McClure

“ Hi Monica, Tammie, Nancy, & Kim. My prayer for your family is that God will meet all of your needs. I remember your Mom from singing in the High Lights, Voices of Macedonia, and the Community Travelers. Your Mom loved to sing and she was very dedicated to the choirs that she was a member of. I can see why and how you guys became involved in church as you are. Be encouraged and remember to do as David did in Psalm 121, "Lift up your eyes unto the hills." David said God is a Great Helper, and God is a Great Keeper. I love you and praying with and for you. I can't make it tomorrow I've got another "home-going" to attend. Joe & Sheila Gaines.

“ mom, I miss you so much, God finally granted your wish, Peacefully you closed your eyes and went to sleep. You don't have to suffer anymore, For god has greater things in store. I'll think of the good times we had and try not to be sad. I hated you had to go; you needed to rest and god needed you more. Until we meet again I love you mom! your daughter MONICA(MONNIE).

“ Have you ever wondered why we grow old and die? Some sea turtles live for hundreds of years. Certain Trees have lived For Thousands of years. But Humans Lived to be just 70 or 80 years and then die. Have you ever wondered why? That answer is found at Romans 5:12. Will that situation be resolved will be found at Revelations 21:3,4.

I'll remember the times we shared just you and me, didn't seem like much but more than you could see. I'll take those memories with me everywhere that i go... grandma we all love you i just wanted you to know.
