“ I would like to offer my condolence to the family, and may the Lord be with you during your time of bereavement. I must say I am shocked and hurt to find out that Netta has passed on. (God Bless Her Soul) I would like to share with you how Netta touched my life.

I met Netta while we were both pursuing our studies at Mott Community College. Netta and I worked in the Library together, and we became friends during that time. Netta was a very cool young lady to know and work with. Netta always kept me laughing during our long boring shifts in the library. We shared a couple of classes, and we often studied together for those classes. She helped me out where every she could and vice versa. I thank you Netta.

I would like the family to know that Netta, despite her adversities had a spirit that showed courage & strength during a time when most would surrender to the battle. She encouraged me to stay focused on my goals, because she knew life would be much better for me if I continued my studies. Netta would always drop some knowledge on me when we seen each other on campus. I appreciated the time Netta and I worked/studied together.

I thank GOD I met Netta. Thank-You LORD. May her soul rest in peace. GOD BLESS all of you. One last thing to her children: Although your mother is not here with you in the flesh; she is here with you in spirit. Keep making your mother proud.

Love Always, Nikki
