“ *To the Brown Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious gift of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*

“ *Mr. Brown was my neighbor for a couple of years. We started off rough but at the end he was a good friend and neighbor. When he saw me he either was asking had I cooked something sweet or a cold glass of water.*

You will be missed.

I'm sending my prayers and condolences to Tanya and family.
