Bennie was born June 25, 1929 in LaGrange, Georgia, the son of Idus and Doris Hall. He was a very ambitious and an extremely active young man. Bennie worked many odd jobs and was always lending a hand to whomever needed help and assistance. His first full-time job began at a local grocery store in LaGrange as a Stock Delivery Person. Bennie was very well respected and highly appreciated by his employer and those he serviced. He was well known for his temperament, smile and intelligence. His superb work ethics were highly recognized and appreciated. Many other employers and business owners wanted to hire him. Bennie wasn't your ordinary guy. He was very smart and good at counting and managing money. One day on his way home from a hard day's work, he saw Carrie. Bennie knew immediately that she was going to be his wife. A year later he married her on May 22, 1949 and stayed married to her for 66 years until she passed in September of 2015. Their union produced ten children. Bennie knew after marrying Carrie that he had to find a more lucrative job to

adequately support his wife and family. He heard that there were better paying jobs up North. So, Bennie moved north to Flint, Michigan and was able to secure a job at General Motors Corporation. He worked at General Motors for 32 years until he retired. Bennie was also a proud member of the UAW (United Auto Workers) for all the years he worked at GM. Bennie was very religious and prayed all the time. He and Carrie found a church home at Golden Leaf Baptist Church which was led by Rev. Thigpen. He later attended Holy Trinity Baptist Church under the leadership of Rev. Dukes where he served as a Deacon. When the church dissolved, he, his wife and family attended El Bethel Evangelistic Missionary Baptist Church led by Pastor Danyiel Griffin and also served as a Deacon until his illness. Bennie loved traveling, baseball, fishing, wrestling, gardening and working on cars.
