“ To the Horne family and friends,
I wanted to offer my condolences for you. I did not have the pleasure of knowing Mr.Horne personally. I know this is a very tough time for you and your family and friends. He will be greatly missed by all. In this tie of deep sorrow I wanted to share some comfort from God,s word the Bible. Often times having a reminder of our heavenly fathers thoughts on things iwhen a tragedy like this happens helps to bring a little calm and understanding to the matter. Isaiah 25:8 says that Jehovah will swallow up death. Then at Revelation 21:4 it shows us the hope we have for our loved ones that have passed away. Again I sincerely hope this braught you some measure of comfort in this great time of sadness. If you have further questions that you would like answered please take the time to look at the official website www.jw.org.

“ Our heartfelt condolences to the family of Bennie Horne. It is our prayer that God will bring much comfort to the family in the days ahead. Jehovah God has promised us a time when sickness and death will be no more. Rev. 21: 4 tells us: “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.” May the family have comfort and peace during this time of great loss.
