“ Uncle Bennie Lee, the bible says in Psalms 37:23 "The steps of a good man are ordered by the lord" and that in deed is what I remember you to be... from the time I was a little girl every time I saw you, You were always smiling, happy and shaking a pocket full of change. Well, today the lord has ordered a change and brought you to his resting place. Though I am not there in the flesh to celebrate your home going day...I am celebrating it in Washington DC where I will take a silent moment in honor of the living God, You, My Dad and all the good men and family members that fought the struggle for this historic making event on my "birthday" to become a living dream and reality that I wish all of you could have seen. I may not have thr full understanding of what you all fought for but I do appreciate the struggle of the great men of my family considering it was before my time! However, one thing's for sure all of you hold a very special place in my heart for blazing the trail that I now am able to travel. & I want to say "Thank you & my Dad" May God rest your precious soul in everlasting peace.

"Love"

“ *Uncle Bennie will be surely missed but never forgotten. I will always recall the family gatherings where himself, my father and other uncles would talk about various subjects. The knowledge and wisdom gained from overhearing their conversations and my direct talks with Uncle Bennie have proven to be beneficial in several aspects of my life. We are all blessed and fortunate to have had Bennie McNeal in our lives, my sincere condolences to Aunt Helen, Mable, Tina, Quinn and others. God Bless.*

“ John 14:1 ? 3: ?*Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.?*
