“ Coop and Gwen,
You have my deepest sympathy and I hope that it helps, although your grief may go beyond what my words can express. There's nothing anyone can say and nothing we can do to heal your broken heart or take away your pain. Let God take you in His arms and cover you with His love. He knows the depth of your grief and only He can give you peace. He knows it will take time for your heart to heal, and "Pretty Boy" has a place that no one else can fill. If there's any comfort let it be in this, Benny is with Jesus, in a home that's filled with bliss. There are no tears in Heaven, no suffering, and no pain; only love and happiness for all eternity. We must go on living and do the best we can; then when Jesus calls our name we will be with him again!

Though words, however gentle, cannot take your loss away, still may these words sent in sympathy help comfort you today.

“ *Our Hearts Are Broken Forever*

*Our hearts are broken forever,
People tell us that in time the pieces will eventually come back
together,
If this is true, though hard to believe now, there will always be a
space,
The piece which has your name on its place.
Tears will fall, the funeral day will seem so long,
When we think of your face it all seems so wrong
You had so much to family who loved you, and so much left to do
But God needed somebody in heaven who is as special as you.
Nothing is the same now and we doubt it ever will be
You have been released from pain and suffering, you have been set
free.
From life as we knew it, it was time for you to take your final bow.
In our hearts we know that you had reached home now
Your voice, your laugh, is now in the voices of angels who sing
Your Dad and mine will fit you with a pair of Angel's wings.
The world has lost a wonderful man, a true and amazing friend.
But maybe your goodness was needed to help
and from heaven you needed to ascend.
You will always be around us, engulfing us with your love
Giving us strength, keeping us close and watching over us from
above.*
