“ *To the Dotson family:*

There are no words that can express the loss of a wife, mother, grandmother, better yet a virtuous woman!!! In life we replace alot of things but the love of that special person who knew all the right things to say is irreplaceable! My prayer for the family is that God strengthens you, encamp his angels around each and every one of you to keep you forever in his bossom.

*Forever in my prayers,
Kayla Poole*

“ Bernice was my first cousin. When I moved to Flint from NY in the late 80's Bernice was so nice to me. She was not fake nor phony and had a wonderful sense of humor. When I gave birth to my triplets, Bernice and her brother, Bill, were so excited for our family. She will so deeply be missed that words cannot express our family's grief. But we do know that God has promised us a life of eternity in His kingdom for all who believe. And Bernice was a believer for that we know that she may be absent from the body but present with the Lord. We Love you Bern!!!!!!!

“ I was really shocked and saddened to learn that Bernice had passed away. I saw her during the summer and we laughed about the fun time we had while working together at Delphi. She was a fun person to be around and I am sure that she will be missed. My deepest sympathy to her family.
