“ My heart is broken right now. My grandmother was the apple of my eye. I Thank God for blessing me with a beautiful soul grandmother. There wasn't anything My Bigmama didn't know how to do. She did it all. She would give you her very last no matter what. I'm always going to remember therapy family trips we would go on. I was one of her grandkids that went on fishing trips with them. And we went all over Michigan just to fish. Thank God for the best memories I have with you. I Thank God for blessing me to have you in my life for 91 beautiful, and blessed years. I will miss your laughing, I will miss hearing you call me, hey Missy ,babygirl is what you called me. Even through everyone else called me Juicy even granddad called me juicy. U would say "that ain't juicy, that's missy". Then we would all laugh. I'm just lost right now but I know you is resting now in Jesus's bosom. No more pain, no more crying from being in pain. U can rest now with your 3 late daughter's and grandad. I know yall in Heaven having a beautiful family reunion. But yall behave up there. Tell my momma and daddy I miss them. You taught us very well, and we gonna be ok. I will see you again..
Rest in Heavenly Peace. I Love you Bigmama.
