“ *Bertha Mae is my cousin by blood but sisters from our heart. We are the same age and shared many great memories when her family came to Hope, Ar to visit. Bertha, Carrie, Martha (my sister) and I sung songs, danced, played, and talked until our parents made us go to bed. We did not visit or talk often but the love from our early childhood was always a special part of our lives. My wish for Bertha is to rest in peace until we meet again for that special family reunion in Heaven. Love to the Family.*

“ I didn't post earlier because I had no words. I am so sorry for this huge loss. Bert was a wonderful woman, warm, funny and kind. She lived a remarkable life, that was much too short, and she will be sorely missed. Love to the Ferguson and McFadden family at this extremely difficult time. May peace and comfort find you.
