“ Mr. McClinton provided us with many laughs and always welcomed us with open arms. Our families have been so close throughout the years. We've shared laughs and tears together. We are joining you in prayer now as you face this difficult time and we are extending to you the same love and comfort that you have to us in the past. The bible says that blessed are they who mourn for they shall be comforted and we believe the word. We're here for you always,

“*"If love could have saved him, he never would have died". One thing I do know for sure is that Mr. McClinton was loved, and knowing the faith of your family, this homegoing will be a celebration. We will all miss his physical presence, but will take his spirit with us for the rest of our days. Have consolation in knowing that there are friends who care. Praying for the entire family.... May God cover you with his grace, and may you find strength and peace to carry you through this difficult time.*
