“ To Alex, Lynn and Family,
Beyond her many accomplishments, and being one of the best neighbors in the world, I believe the true legacy of Bessie lies within the kind of person she was. Bessie was genuine. She possessed a combination of grace, humility, and dignity with a smile and gentleness that left you feeling blessed to be in his presence. It was a joy to know her.

“ My prayers go to the entire family of Aunt Bessie Jo. I hope that you all have fond memories of her as I do. I remember her fun side whether fishing in Virginia Beach or enjoying the amusement of Cedar Point. It is very important to make memories with those you love, because they are gone too soon. I love you all.
