“ I am so sorry to hear of your loss, may Gods love comfort and see you gently through during these difficult days. Cast your cares on the Lord and he will sustain you.. Psalms 55:22

Words do not come so easily at times like this, but know that the kindest thoughts are close beside you. In quiet moments when hurt is hard to bear, may love become your shelter and may the beauty of precious memories become your comfort.

Thinking of you with sympathy, with love and with a prayer that God will bless you every day and keep you in His care. I will not leave you comfortless: I will come to you..John 41:18

*You are held in gentle thoughts and prayers.

“ Yvette please accept my sincere condolences for the loss of your dear mother. I can only imagine what a shock it must be to you and your family. Although it may be difficult right now to see beyond the sorrow, remembering the good times should help to bring some comfort. And remember faith is the ability to feel so sure of God, that, no matter how dark the day, there is no doubt as to the outcome. In the midst of gloom and despair have Faith.
