“ Betty was my nurse 33 yrs ago when I delivered my oldest daughter. Haven't seen her since then but I've remembered her name and thought about her often down through the years. She was a GREAT nurse, very compassionate. Praying for her family during this time. RIP.

“ May God bless the family and friends and give them comfort and peace in this time of sorrow. Bettie was such a sweet person. She was one of the younger kids that grew up on Dakota Street in our youth. As we grew older I would run into her shopping, especially at one of her favorite stores “Value City”. We would try to catch up on old times. She was a special lady and I will cherish the memories of us talking, laughing, and remembering our younger days. My condolences. RIP Bettie.
