“ Mom I cannot ever forget the weekends we had together in spiritual warfare prayers for our families. Nothing and no one could come close to the love you showed me as your daughter. When I was feeling bad, you lifted my spirits. When I was in tears you made me laugh. When I was about to throw in the towel on ministry, you said stay the course. You are forever etched in my heart and soul. I know you are my guardian angel from above.

I loved the many days you cooked in the kitchen and we would watch sermons together sing and pray. I thank God for every waking moment I had with you. You took over and stepped right on in. I will never ever, ever, forget you.

*Love Ruesion
