“ Grandma Betty! I have so many memories & lessons that I've learned from the 10years of knowing you. You loved me as if I was your own (what an honor 😊). Your shy spirit, beautiful smile & Legacy will forever live on for generations to generations. RIH Mrs. Wilson! We love you!

“ *Mother Bettie... I always think about your sly smile and inside laughter when us children would do something as you sat on the porch. How you would yell at the kids and they must have done something really out of whack for you to do that. You would shake your head when Mr. Wilson wanted Jr. to "climb the walls" And tell us girls... SIT DOWN! So many things I learned just by you sitting on the porch observing all these tons of children in our neighborhood.*

To the Wilson families near and far the Randolph and Adkins families send their condolences during this time of transition.

“ *At a lose for words. Lashanda, Terrell, Greg, Donald, I love you all more than ya know. So so sorry you are going thru this trying time. You already know I am a short phone call away. This storm that you are in now will soon pass. How long it will take, I have no clue. But know I will be here to help you thru. May God keep you covered as well as my extended family, the entire Wilson-Collins family.. love you all and many prayers going up.*
